Nonindustrial Timber Management Plan
No: 4-22NTMP-00001-TUO
Camp Hi Sierra

Letter of Conformance

The Director of the Department of Forestry and Fire Protection (CAL FIRE) finds that the above referenced Nonindustrial Timber Management Plan (NTMP) conforms with the Rules and Regulations of the Board of Forestry and Fire Protection pursuant to the provisions of the Z'Berg-Nejedly Forest Practice Act of 1973. Conformance is indicated by the signature of the CAL FIRE authorized representative on the attached copy of the NTMP.

Timber operations proposed in this NTMP may only commence after submission of a Notice of Timber Operations (NTO) as prescribed in 14 CCR §1090.7. Amendments to the NTMP shall be submitted to the Director by the Plan Submitter, or the successor in interest (ref. 14 CCR §1090.24 and §1090.25).

The Forest Practice Act requires the submittal of a Work Completion Report and a Report of Stocking for each NTO, whether operations took place or not:

1. Work Completion Report (ref. PRC §4585): Within one month after completion of work described in the NTO, a Work Completion Report shall be submitted by the Timber Owner or the owner's agent with the Department that all work, except stocking, has been completed.
2. Report of Stocking (ref. PRC §4587): This report shall be submitted by the Timber Owner or the owner's agent with the Department within six months or five years after completion of Timber Operations, depending on silvicultural method.

This NTMP is subject to cancellation at any time by the Department if it is determined that the objectives of uneven aged management and sustained yield are not being met, or if there are persistent violations detected that are not being corrected (ref. PRC §4594.7).

Sincerely,

Jon Woessner, RPF #2571
