

## **NOTICE OF DECISION**

**To:**

Honorable Wade Crowfoot  
Secretary of Resources  
Natural Resources Agency  
State of California  
Sacramento, CA 94244-2460

**From:**

Board of Forestry and Fire Protection  
P.O. Box 944246  
Sacramento, CA 94244-2460

**Contact:** Jane Van Susteren, Regulations Coordinator, State Board of Forestry and Fire Protection, P.O. Box 944246, Sacramento, CA 94244-2460

**Subject:** Notice of Decision made pursuant to Section 21080.5 of the Public Resource Code (PRC), and Sections 1145 of Title 14 California Code of Regulations (CCR).

**Project Title:** "Wet Areas, Meadows, and Restoration Activities, 2024" [Regular Rulemaking]

**Project Type:** Regulatory Action, adoption of amendments to California Code of Regulations, Title 14: §§ 895.1, 912.7 (932.7, 952.7), 913.4 (933.4, 953.4), 916.3 (936.3, 956.3), 921.4 (961.4), 923.1 (943.1, 963.1), 923.2 (943.2, 963.2), 923.4 (943.4, 963.4), 923.9 (943.9, 963.9), 953.7, 1034, 1038.2, 1038.4, 1051, 1051.4, 1072.4, 1090.5, 1092.09, 1094.6, 1094.8.

**Project Description:** The rulemaking is intended to provide a definition for "Wet Areas" that takes into account interannual variation in precipitation, to replace the definitions "Wet Meadows or Other Wet Areas" and "Meadows and Wet Areas" with "Wet Areas", and to expand the areas that can undergo meadow restoration activities under the "Aspen, Meadows and Wet Areas Restoration" special prescription to include the historic extent of a meadow.

**Project Location:** All non-federally owned state and private timberland throughout the state.

---

This is to advise that the State Board of Forestry and Fire Protection adopted the above rulemaking on July 24, 2024, and made the following findings regarding the above action:

1. The Board has considered adverse environmental effects from the action described above. Such consideration was conducted to meet California Environmental Quality Act (CEQA) requirements for a project by using the functional equivalent certification to an EIR granted to the Board for its rulemaking process pursuant to PRC 21080.5.
2. The Board has not identified any adverse environmental effects as a result of the adopted rules.
3. The Board made other findings as part of its Final Statement of Reasons contained in the official administrative record.

This to certify that the administrative regulatory file, prepared pursuant to Section 21080.5 of the Public Resources, is available to the General Public at: State Board of Forestry and Fire Protection, Room 1506-14, 715 P St., Sacramento, CA.
